MANACA MEDICAL

TØRKET SuperAbs

REF. MA7237

TØRKET SUPERABS

Single use super absorbent cloth for surgical environments, absorbs all types of liquids.

FEATURES

- Consists of 2 layers, first layer of white hydrophilic polypropylene non-woven fabric and second layer of SAP, superabsorbent polymers and fluffy pulp.
- Absorbs on both sides and retains up to 9 L of water and up to 3.5 L of 0.9% saline solution.
- Can be placed on already wet floors. Even when filled, it keeps the surface dry and does not leak.
- Will not crack or chip and is tear resistant, both wet and dry. Does not shed lint.
- It is stackable. Attaches quickly and easily.
- It is not suitable for stepping.
- Reduces cleaning time and resources.
- Disposable product, single use.
